

Lake Havasu Museum of History

Dear Members,

We cannot adequately express our appreciation for your continued interest and support of our Lake Havasu Museum and Historical Society. The new year is fast approaching and this letter includes our annual membership renewal form.

This past few months have been exciting and challenging for us. We are seeing more and more visitors and it makes us so proud they express such surprise and delight with the quality of our little Museum in the desert.

What has been accomplished has been achieved without any financial support from the city, county, or state. Our financing comes from membership dues, grants, donations, and fundraising efforts. In previous letters we explained that like many organizations, we have been affected by the downturn in the economy. Many Museums and organizations are being sustained by the generosity of patrons who have made donations through wills, or trust funds. We hold fond hope that this might happen for us sometime in the future. Perhaps we can even imagine enlarging our Museum some day.

We sincerely appreciate your sending your renewal and even adding a donation of any amount of \$1.00 or more. If you have already sent your 2010 renewal payment, please accept our thanks and disregard this notice.
